**Welcome to Firezone**

Fire Zone Solutions Ltd. is a fire safety consulting company started in 2003 by retired Delta D Roger Lasell. Roger brings over 30 years of experience direct to your employees, providing fire safety and prevention classes conveniently at your business location. Classes may be customized to a specific fire safety issue that you have, simply call and let us know.

**Customer Service**

We believe in customer service, give us a call, tell us your needs for Fire Safety Training and we'll return with a plan at a reasonable cost.

Roger Lasell, President

**Our most popular classes**

**Fire Extinguisher Training 101.**

Your employees will earn a certificate of completion upon finishing class which includes a hands-on fire extinguisher demonstration to meet WCB's regulations of yearly fire safety training. Class topics include:

- What is fire?
- Should you fight fire?
- Type of fire extinguishers
- Proper use
- Installation, maintenance & inspection
- Hands-on fire extinguisher training
